Habitat Stewards Training Application

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Home Phone: _____ E-mail: _____

Certification: Is your home certified as a NWF Backyard Wildlife Habitat? ____ Yes ____ No

Pertinent Education, Training, and/or Experience:

What is your motivation for becoming a Habitat Steward?

Do you have a habitat project already in mind that you would like to assist or begin?

(Examples: reduce lawn and add native vegetation in own yard, use responsible gardening techniques, become a neighborhood or group liaison to enhance natural habitat, participate in demonstration garden work parties)

Do you have any needs or special accommodations during your training?

Please read the following before signing:

- I am aware of the basic philosophy of the Camano Wildlife Habitat Project and the National Wildlife Federation's Habitat Stewards program — enhancing wildlife habitat provides learning opportunities as well as the ability to benefit our local environment.
- I understand and am willing to become a Friends of Camano Island Parks member (\$10) and make a donation of time or money to the Camano Wildlife Habitat Project.
